

SENIOR LANDSCAPE ARCHITECT POSITION

Position Summary: Senior Landscape Architect for a wide range of Landscape Architecture projects throughout the Pacific Region. Responsible for the preparation of master plans, conceptual plans, construction drawings and construction observation services for landscape design projects. The position requires understanding of Hawai'i and its unique culture and environment. The ideal candidate will have strong organizational skills, presentation experience, and ability to interact with clients and collaborate with other design disciplines. There is some potential for travel.

This is a full-time position. HHF Planners offers a generous benefits package.

Primary Responsibilities/Activities:

- Managing all aspects of projects including HHF planning staff, subconsultants, schedules, and billing projections
- Coordinating effectively with design team members, project consultants, and client representatives
- Leading collaborative design/planning teams and client, government, and project team meetings and presentations
- Technical writing, analysis, and evaluation for planning reports

Minimum Qualification Requirements:

- Licensed Landscape Architect
- Experience in both Landscape Architecture and Planning preferred
- A minimum of 5 years professional experience in landscape design and construction observation
- Relevant project experience and project management experience
- Relevant project experience in Hawai'i strongly preferred
- Proficiency in AutoCAD and Adobe CS software
- Excellent written and oral communication skills and ability to present project materials and information clearly and concisely
- Excellent organizational skills

Please submit a cover letter and your resume to info@hhf.com.

HHF Planners is one of the largest environmental and land use planning groups in the Pacific region, providing comprehensive services ranging from community/regional development plans, environmental plans, landscape architecture and design projects throughout Hawai'i and the Pacific Basin. We are internationally recognized, highly respected, dedicated to our clients, reliable, creative, and committed to sustainability.
